

WILLIMANTIC ORCHESTRA

2017-18 Dues Notice

The Orchestra asks each player – with the exception of students – to pay modest dues as his or her share of the Orchestra’s expenses. To help meet the estimated \$5,000 cost of the 2017-18 season, we are counting on about \$2,000 in dues and contributions from players.

Dues have not increased since 1998. The Orchestra's policy is to keep dues low so that they are not a barrier to anyone who wants to play, but to encourage additional contributions (deductible as charitable contributions on IRS Form 1040, Schedule A, if you itemize deductions) from those who can afford to give more.

Please complete the form below and return it with your check payable to “Willimantic Orchestra, Inc.” to our Treasurer, Paul Navratil, at rehearsal, preferably the first one on Thursday, 7 September 2017. Or you may mail your check and completed form to him at 192 Plains Rd, Tolland, CT 06084.
