

## WILLIMANTIC ORCHESTRA 2023-24 Dues

The Orchestra asks each player who is able to pay modest dues as his or her share of the Orchestra's expenses (students excepted). To help meet the cost of the 2022-23 season, we are counting on about \$2,000 in dues and contributions from players. Dues have not increased since 1998. We try to keep dues low so that they are not a barrier to anyone who wants to play, while encouraging additional contributions when possible. If you do not feel able to contribute the regular dues amount, a lower amount or no contribution is also okay.

Please complete the form below and return it with your check payable to "Willimantic Orchestra, Inc." to our Treasurer, Paul Navratil, at rehearsal. Or you may mail your check and completed form to him at 192 Plains Rd, Tolland, CT 06084. You may also make your payment by PayPal at the "Sponsorship" tab on the Willimantic Orchestra website.

---
